I'm voting for Mark Hamilton for Lord Mayor

Dear Electors,

I live in the city and, although not a candidate, I keep being asked who I am voting for as Lord Mayor in the Adelaide City Council Elections.

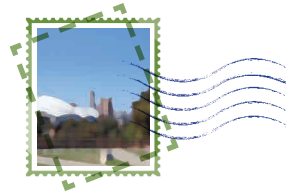

I am writing to tell you that I have known Mark Hamilton since before I was on Council and will vote for him because I know what he believes in and what he has stood up for in the past. I trust him to support businesses and also care about residents' rights.

He has always stood up for fairness and consistency in planning and fought to protect our Parklands and Heritage. Since these are the issues that concern me there is no other choice.

Kind regards,

Dr Jane Lomax-Smith AM
